## 2020 Capitol Hill Challenge Webinar Schedule

Dear 2020 Capitol Hill Challenge Teachers,

We are excited to have you participate in this year's program!

The Capitol Hill Challenge™ (CHC) Webinar Series will provide training support for all participating teachers. We will take you on a tour of the Stock Market Game™ trading portfolio, mobile app and Teacher Support Center full of additional resources. We encourage you to participate in each of the three types of webinars to get you and your students set up for a successful 2020 program!

- **CHC I (60 min)** – sets the stage for a successful and fun CHC experience for you and your students. We will cover the rules of the game and getting started with the program.
- **CHC II (60 min)** – provides the learning resources and strategies to “Win with Diversification.” We will provide in-session support for portfolio-building strategies and using weekly analysis tools.
- **CHC III (60 min)** – provides “finish line” strategies and key learning takeaways for your students.

**Please click on the registration links below to sign up for a session today.**

Happy Trading!
