

The 2018 Capitol Hill Challenge Program

Teacher Role & Agreement

By participating as a **Capitol Hill Challenge (CHC) Teacher**, I agree that I am a teacher or senior administrator at the school I am representing and that my student teams are from the same school and I will:

1. Read and abide by the CHC Program Rules & Code of Participation outlined below and also available online at <https://www.stockmarketgame.org/capitol-hill-challenge.html>
2. Ensure that my students read and abide by the CHC Program Rules & Code of Participation outlined below and also available online at: <https://www.stockmarketgame.org/capitol-hill-challenge.html>.
3. Confirm my school is located in the Member of Congress (MOC)'s district with matching zip code - **Please reconfirm your district and MOC at:** www.house.gov.

Eligibility

- 1) Participant eligibility
 - a) 2 schools per Member of Congress (MOC) - junior high or high school, with priority consideration given to public schools
 - b) 10 teams per school
 - c) 3-5 students per team
- 2) Winner eligibility: 10 teams with the nationally top-ranked portfolios
 - a) one winning team per school
 - b) one winning team per MOC

General Information

- Participation in the CHC is by invitation only, with priority consideration given to public schools
- Request for participation does not guarantee placement in the competition
- There is no cost to participate
- A maximum of two schools per MOC can participate
- Students may only participate on ONE CHC team in the CHC competition
- Students taking part in a separate Stock Market Game (SMG) window can also take part in CHC

FOUNDATION

- The dates for this year's 14-week competition are February 5 to May 11, 2018
- The last day for entering portfolio transactions is Thursday, May 10, 2018, 4pm EST
- The names of ALL participating students on EACH registered CHC team must be submitted by the CHC Advisor by February 25, 2018, 11 pm EST to be eligible to attend the winners' event (no substitutions)
- Updated 2018 CHC Rules are available below and at: <https://www.stockmarketgame.org/capitol-hill-challenge.html>.

IMPORTANT DATES:

- **CHC Portfolio Trading Begins:** Monday, February 5, 2018, 9:30am EST
- **Last Day to Submit Participant Names:** Sunday February 25, 2018, 11pm EST
- **Diversification Requirement Days:** To qualify for the winners' event, each CHC team's portfolio must contain at least **10 holdings, including at least** one stock, one bond, AND one mutual fund, every Friday at 4pm EST from March 2 – May 4 and on Thursday, May 10, 4pm EST
- **Last Day of Trading:** May 10, 2018, 4pm EST
- **Winners' Trip to Washington, DC:** June 12-14, 2018.

Capitol Hill Challenge Program Rules

A complete set of program rules is also listed at:

<https://www.stockmarketgame.org/capitol-hill-challenge.html>.

1. All Advisors must submit their student team rosters to the SIFMA Foundation no later than Sunday, February 25, 2018, 11 PM EST, as described on the form. Team rosters must contain the full list of participant names with each of their Capitol Hill Challenge Team ID numbers. This is a requirement for teams to be eligible for the winners' trip. No substitutions allowed.
2. Students can participate on only one CHC team for the duration of the competition and cannot switch teams at any time during the CHC competition period.
3. Each team begins the simulation with \$100,000 in cash and may borrow additional funds of up to \$50,000 as a *Margin* line of credit. A team's total buying power is equal to 1.5 x Available Equity. Teams that buy on margin are required to maintain a minimum total equity (the formula to determine this amount for each portfolio can be found in the "Help" section of the portfolio page). If a portfolio's total equity dips below the minimum, a Margin Call will be issued, requesting that the team sell off enough investments to meet the *Minimum Maintenance* requirement. If a team still has not met its minimum within seven days, the SMG system will automatically liquidate enough of the portfolio's investments to collect the required amount.

FOUNDATION

4. To qualify for the winners' event, each CHC team's portfolio must contain at least **10 holdings** including at least one stock, one bond AND one mutual fund **EVERY** Friday at 4pm EST from March 2 - May 4, 2018, and on Thursday, May 10, 2018 at 4pm EST to meet the **Diversification Requirement**. Exchange-Traded Funds (ETFs) are considered stock assets and will fulfill the stock asset holding requirement. ETFs **will not** satisfy the bond asset holding requirement. Portfolios can contain multiple holdings of each of the different asset classes, as long as all three asset classes are represented and there are a minimum of 10 holdings simultaneously. All team portfolios will be subject to random review to confirm presence of all three asset classes and at least 10 holdings at the close of trading on March 2, on each Friday thereafter through May 4, and again on Thursday May 10 (4pm EST on March 2, March 9, March 16, March 23, March 30, April 6, April 13, April 20, April 27, and May 4). Teams that do not comply with this requirement will be ineligible for the winners' trip.
5. Interest is charged weekly on negative cash balances at an annual rate of 7%, and credited weekly on positive cash balances at an annual rate of 0.75%. Interest is calculated daily, then summed for the week (Saturday through Friday) and posted Saturday (with Friday's date). The daily rate is based on a 365-day year. Daily Interest = Cash x Appropriate Interest Rate (as a decimal)/365. Bond coupon payments are posted when due.
6. Teams may trade only stocks and mutual funds listed on the NASDAQ Stock Market and the New York Stock Exchange and a pre-determined group of Municipal, Corporate, and Treasury bonds. Teams are not allowed to trade over-the-counter or pink sheet stocks and Class B stocks due to unreliable pricing reports. If we find these stocks in team portfolios, we will cancel any related transactions, which may result in a loss for the team. Teams are not allowed to purchase inverse and leveraged ETFs or short sell securities. Teams purchasing inverse and leveraged ETFs or short selling securities will be disqualified from the CHC.
7. CHC provides End-of-Day SMG transactions priced at market daily closing prices. These prices can be found by using the price quote facilities of SMG. Bond prices are available only on the SMG website. All Stock and Mutual Fund transactions are treated as End-of-Day transactions and priced at that day's closing price. All bond transactions are treated as Real-Time transactions. Transactions entered with a limit price will not be held past the initial attempt to price the transaction.
8. All Stock and Mutual Fund buy orders must be a minimum of 10 shares. Sell orders for less than 10 shares are permitted. Municipal and Corporate Bond orders must be bought and sold in \$1,000 increments only. Treasury Bonds must be bought and sold in \$100 increments only.
9. The minimum market capitalization for stocks in the Stock Market Game is \$100 million. This rule supports the trading of highly liquid and stable stocks with low volatility.
10. SMG does not permit buying stocks or mutual funds that trade below \$5 per share the day before and the day of execution. Such orders will be rejected. Sell transactions for existing long positions where transactions are executed at closing prices will be accepted, even if the price is less than \$5 per share. Only Bonds provided by SMG may be bought and sold. These bonds will be investment grade only with S&P ratings of "BBB" or higher.

FOUNDATION

11. Trades can only be processed in whole and will be rejected if sufficient buying power does not exist to execute the entire order.
12. A 1% broker's fee is charged for all transactions. For example, if you buy 100 shares of a stock at \$10 per share, you must pay the 1% of \$1,000 or \$10. Bond sellers will receive accrued interest since the last coupon payment.
13. SMG is run Monday through Friday. Teams may trade on any day the participating stock markets are open. The stock market's hours of operation are 9:30AM ET – 4PM ET, Monday – Friday with the exception of market holidays and closings.
14. Stock trades entered after close of market (4PM ET) are priced at next day's closing price. Bonds are given the most recent price displayed in the trading system. Mutual funds are priced at the next day's closing price.
15. Teams may not invest more than 10% of their total buying power in any one company or fund. If the stock or fund in a team portfolio increases in value and places the investment beyond 10% of their total equity, they will be unable to purchase additional shares of that stock or fund. This is the Maximum Equity rule. The SMG system will automatically enforce this rule to encourage diversity in a team portfolio.
16. A record of a team's portfolio and transactions will be available daily. A team will not be ranked until its initial transaction is entered successfully. A student can only be assigned to ONE CHC portfolio per game period.
17. No back posting of trades will be done for trades of securities not contained within the SMG Security Table. Once the missing security has been added to the Security Table the security can then be traded. The same rule applies to trades rejected if they are incorrectly pricing below \$5. Once the pricing has been corrected, the security can be traded. Only Bonds listed in the SMG can be traded. No post-dating of trades due to the system being unavailable will be performed.
18. Stock and cash dividends and stock splits are automatically computed into portfolios. Every effort is made to simulate as closely to real life as possible a variety of other corporate actions (mergers, acquisitions, spinoffs, etc.), which may include the standard three-day settlement period. In this case, it may be necessary to suspend trading of a given security until the action can be completed. Canadian stocks trading on US exchanges cannot be traded between a split's record date and its payout date. It is the responsibility of teams to check their portfolios for accuracy and notify their Coordinator by email of any problems that are encountered.
19. Participants of the End-of-Day pricing SMG may delete pending transactions prior to market close except bonds which are processed as real-time orders.
20. Teams are encouraged not to liquidate their portfolios at the end of the competition. Winners are determined on the basis of the percent return above/below the S&P 500.

FOUNDATION

Capitol Hill Challenge Code of Participation

1. Any violation of the rules of the CHC and SMG may result in the invalidation of a transaction. Repeated violation of the rules may result in disqualification.
2. CHC advisors must be a teacher or senior administrator employed at the registered school. Student teams will include only students attending the registered school.
3. CHC advisors will ensure that they themselves and every participant on their team(s) have read and understand the CHC Rules & Code of Participation.
4. Teams that do not comply with the CHC Rules & Code of Participation will become ineligible for the winners' trip to Washington, DC and be potentially removed from the portfolio rankings. The authority to remove a team from the rankings lies solely with the SIFMA Foundation.
5. Each team is responsible for any opening or closing transactions entered into its portfolio. Teams may not enter transactions into portfolios other than their own. (When a team asserts that a transaction was entered by a non-member of that team, the team will nevertheless be ranked based on their portfolio's total equity, which will include the challenged transaction.)
6. Only transactions stored on the SMG database will be recognized for purposes of evaluating portfolio total equity.
7. Teams are responsible for maintaining the secrecy of their password and the integrity of their portfolio.
8. The SIFMA Foundation is responsible for accuracy of the market data. Teams are responsible for reporting any major price discrepancies found in their portfolios. Failure to do so may result in disqualification. In extreme cases of disregard for this rule, the SIFMA Foundation reserves the right to disqualify and delete the CHC team. If a team believes a stock price or other information is incorrect, the team Advisor shall notify the CHC Coordinator by email.
9. In the event of an error on the part of SIFMA Foundation and/or coordinator organization(s), their liability to a participant shall be limited to the refund of SMG registration fees paid, where applicable.
